**ASSIGNMENT OF BENEFITS AND RELEASE OF
INFORMATION FOR BILLING PURPOSES**

I hereby authorize my insurance and/or third party payer benefits to be paid directly to the doctor, _____ (signature of insured). I hereby authorize the attending doctor to release any information related to processing my insurance claim and/or third party payer claim for treatment rendered to me or my minor child _____ (signature of insured).

PAYMENT OF SERVICES

Due to the complex nature of the healthcare insurance industry, it has become increasingly more difficult to understand what your benefits may be. It is your responsibility to understand your benefits and handle a problem if it arises. Managed health care, such as HMOs or PPOs often require preauthorization before entering psychotherapy.

My hourly rate is \$150.00/\$200.00 per hour. The length of our session is 45 minutes. It is hereby understood and agreed upon that you will be financially responsible for all fees associated with services rendered to yourself or your dependent. Any telephone conversations outside of treatment, over 5 minutes (either with yourself or another professional), letter writing or filling out forms, etc. will be billed at the rate of \$200.00 per hour or part thereof to you.

It is further understood and agreed upon that in the event that my account balance becomes 30 days delinquent, a late fee of 10% per month will be charged on your account until the account is paid in full. If the portion you owe becomes delinquent more than 60 days, it is understood and agreed upon, your account will be turned over to collections or litigation and if there has been any adjustments or credits made to the account they will be reversed.

It is further understood and agreed upon that any late or missed appointment will be charged in full \$200.00 unless a 24 hour cancellation notice is given. Insurance companies do not pay for no show appointments and will not be billed for your missed session. If you miss a session you are obligated to pay the full amount of \$200.00 at the next session. Additionally, there will be a \$15.00 charge on all returned checks.

CONFIDENTIALITY

Your records will be held in strict confidence except where disclosure is required by law and/or as noted in this section. You may give your written permission to release all or part of your confidential file to a specified agency or person(s) at any time and at your discretion. Dr. Handley, upon using good personal judgment, may discuss aspects of your case with other mental health professional that would be providing coverage for her.

Examples of situations in which confidentiality and the patient/psychotherapist privilege is waived include but are not limited to:

1. Where there is reasonable suspicion of child or elder abuse (physical, sexual, emotional or neglect).
2. Where a threat of violence is made by the patient against a third party who triggers a duty to warn.
3. Where the patient has been a victim of a crime, as specified in Penal Code Section 111.60 (i.e., injuries by deadly violence, assaultive or abusive conduct).
4. Where the patient has waived or tendered his/her emotional condition pursuant to any legal proceeding.
5. Where the services of the psychotherapist are sought or obtained to enable or aid anyone to commit or plan to commit a crime or tort.

INFORMED CONSENT

By signing this document you are or you are giving consent for your minor child; willingly participating in psychological treatment and are giving my Informed Consent for psychological treatment, which includes, but is not limited to, psychotherapy and psychological testing.

Please feel free to discuss any of the conditions above with me today. By signing below, you are indicating you understand, consent and agree to all of the terms and conditions above.
